System request for Online Art Gallery	
Project sponsor	- Mohammad Sakib Hossain - Chinmoy Majumder - S.M Nazmul Hassan
Business need	- Reaching online customers - Creating a business place for Art Lovers - Increasing sales - Getting customer feedback - Reducing shop cost - Efficient inventory management - Providing more detailed information
Business requirements	- Provide online access to arts - Upload Arts which includes setting Price, Description and etc. - Can pay online or cash on delivery while purchasing arts - Include online user support through chatbox - Provide search bar for searching arts - Track Orders
Business Values	- Increase of sales - Reduced shop cost - Reduced operation cost - Increased customer satisfaction - Up to 60% reduction of time in management
Special Constraints	- We want the system as soon as possible. As there is a pandemic going on the online sales are very important. The system should be delivered before 1st March,2021
